OUTSTANDING BRITISH EDUCATION

WELCOME

We are three independent day and boarding schools located in Cambridge, London and Manchester offering a range of academic programmes for students aged from 13 – 21 years.

Each of our schools has its own unique style and personality, but we are united by common goals; to support students from around the world to achieve success in British education and to progress to the UK and world's best universities, and to develop the personal and social skills needed to succeed at university and beyond.

Over the years, we have helped thousands of students from all around the world achieve their dream of studying at a top-ranked university.

As a student at our schools, you can rest assured that your studies will be guided by our principles of strong leadership, governance, and high-quality teaching, and you will benefit from our many years of experience of helping students to achieve their best.

UNITED VALUES

Our successes are based on simple but effective principles:

YEARS 9 - 11

Year 9

Our Year 9 curriculum is designed to spark a love of learning in younger students, preparing them for the careers of tomorrow, whilst at the same time providing a solid bedrock of knowledge and skills to move on to GCSE study.

GCSE

General Certificate of Secondary Education (GCSE) provide a great academic grounding, offering students a wide breadth of subjects, time to familiarise themselves with the UK education system and improve their English (English Language is a compulsory GCSE subject). GCSEs also provide a natural pathway to A Levels, and students who have taken them tend to perform better in higher-level examinations. Our colleges offer 1 year, 2 year and 18 month GCSE Programmes. DLD College London offers the chance to combine GCSEs with level 2 BTEC qualifications.

ACADEMIC PREPARATION COURSE

Our Academic Preparation Course is designed to raise students' ability in general, improve their subject-specific English, and provide academic training to enable them to successfully join one of our full academic programmes. Programmes can run from 1–3 terms with entry points in September, January and April.

SIXTH FORM

A LEVEL Advanced Levels

A Levels are the most widely recognised qualification for entry into UK universities. Students study 3-4 subjects over 2 years or 18 months. A Levels are available in an array of subjects and provide a balance of subject depth and specialisation. This allows students to focus on the subjects that interest them and prepare for further studies or training at university.

IFP International Foundation Programme

An intensive year 13 programme offering progression to a wide range of universities. It is a modular programme with an overall score based on the results from three examinations taken throughout study. Unlike other programmes, our students are not limited to a select group of partner universities, they are able to progress to a wide range of UK universities, including many top-ranked Russell Group institutions.

BTEC Business and Technology Education Council Diplomas

Available at DLD College London, BTEC level 3 qualifications (Extended Diplomas and Extended Certificates) offer an alternative pathway to university and provide a practical, real-world approach to learning, alongside delivering a key theoretical background to the subject.

PPU Preparation Pathway for University

Available for British students at Abbey College Manchester, our Preparation Pathway for University is a one year course providing a flexible, skills-focused alternative that leads directly into a university degree

UNIVERSITY APPLICATIONS

Applying to university can be complicated and is highly competitive. Every week students will have timetabled sessions and out-of-class study led by experienced tutors and designed to broaden their knowledge and skills in the areas they plan to study at university.

PERSONALISED APPLICATION SUPPORT

Our colleges have a dedicated team of expert admissions advisers who provide tailored and personalised support to each student individually.

Our university application support programme is built on a tried and tested framework that focuses on three core pillars:

- **Achieving outstanding academic results**
- **Mastery of the English language**
- **A high-quality university application**

Our university advisors provide end-to-end support, helping students explore different universities and courses. Providing guidance on the UCAS application process and support to write an effective personal statement that stands out from other applicants. Advisers also provide guidance on interview techniques and practice interview sessions.

☑ OXBRIDGE PREPARATION

We offer specialist preparation for students who wish to apply for Oxbridge and other top universities. The programme includes tutorial sessions and lectures, structured reading, expert guidance on college selection, and preparation for admissions tests and interviews.

☑ MEDICINE PREPARATION

Our colleges have a proud record of medicine success and we provide specialised support programmes to ensure that our students are well-prepared in every aspect required for a successful medicine application.

☑ UK AND OVERSEAS APPLICATION

We are able to provide expert support and guidance for students looking to apply to universities both within and outside of the UK. In recent years our students have successfully progressed to universities based in the United States, Canada, Australia, Europe, and Asia.

☑ UCAS FAIRS & UNIVERSITY VISITS

Every year we host UCAS Fairs and invite a wide range of top universities into our colleges for personal meetings with our students. We also host regular university lectures and arrange university visits offering our students privileged access to university faculties and departments.

OUR ROOMS

Our bedrooms are designed to offer a quiet haven where students can relax and study. We offer a range of different room options, but all come with standard features such as Wi-Fi, study desks and ample clothes and belongings storage. Over 90% of our student bedrooms are single, en-suite rooms.

Outside of your room, we offer communal areas to meet with friends, socialise, and study. Our common rooms feature well-equipped kitchens, lounges, and games facilities.

Our live-in house parents provide 24/7 support and care, making sure that students feel safe and supported, make friends, and keep on track in their studies.

All our boarding houses are secure buildings, with controlled access, on-site security, and CCTV.

HOST FAMILIES

Host family accommodation is available at our Manchester and Cambridge colleges.

Manchester host families are carefully selected to ensure a friendly, safe environment in which students can relax, integrate, and study.

Abbey College Cambridge can arrange high-quality local host family accommodation upon request.

LEARN MORE ABOUT BOARDING

We offer boarding accommodation in more than 300 student rooms, all located either on-campus or within a few minutes' walk of the college.

At DLD College London we offer innovative 21st century Urban Boarding. Students live directly above the school.

Our Clydesdale House boarding house is located in central Manchester offering high-quality, safe accommodation within a 10 minute walk of the college.
